

## **PEER GROUP UPDATE**

### **TELEVISION ACADEMY ADDS SCIENCE AND TECHNOLOGY SUBGROUP EXPANDING MEMBERSHIP OPPORTUNITIES**

The Television Academy has announced the addition of a new **Science and Technology Subgroup** within the **Lighting, Camera & Technical Arts Peer Group** for individuals who have developed or uniquely employed technologies that have been adopted by the television industry to enable or advance the storytelling process.

Applicants must meet the requirements of this subgroup to be considered for membership in the Academy.

To review membership requirements or apply for the subgroup online [CLICK HERE](#)

The Television Academy consists of 30 peer groups, each representing specific fields of expertise within the television industry.
